164) USS Utah Silver Service

See 1910 United States Senate Bill 5069; PAM 16162 History of the USS Utah, Utah State Historical Society; Eldrege, Michael S., "Silver Service for the USS Utah: A Naval Tradition Under Governor Spry," *Utah Historical Quarterly*, Summer 1978, accessed August 3, 2010 at http://history.utah.gov/experience_history/glimpses/ussutahsilver.html: "My idea is to have the silver service donated by the school children of Utah instead of having the Legislature appropriate the money or a few wealthy men contribute the necessary amount. There are 104,000 children of school age in my state out of a population of 350,000. We rather pride ourselves on that record. . . and you can see that if there is a contribution of but ten cents from each of these children we shall have a \$10,000 fund to expend on the silver service. The people of Utah are immensely proud of having this magnificent craft named after our State, and I am quite sure the popular subscription will be a success."
