Book Signout Sheet

Please use this form for your convenience to keep track of the books. As the books are returned you can check them off and then be able to see at a glance who has not returned their copy. This is for your use; we do not necessarily keep a record of the book numbers that are sent to you. It is your responsibility to return all the books to us; we will not contact individuals on this list to return their books.

Thank you!
