“

Venture gave me an immense amount of confidence and inspiration.

”

VENTURE COURSE IN THE HUMANITIES

The Venture Course is a free, interdisciplinary humanities course offered by Utah Humanities to adults “of modest means who dare to dream.” This accredited evening course, taught by college faculty, gives students new ways of thinking about their lives and their world, developing their ability to think critically and empowering them to take more control of their future. Using discussion and writing to learn and primary sources as texts, Venture uses the liberal arts to help liberate the mind.
