HOMELESS

Families that we find out on the street," he said.

We have become more prevalent in recent years, due in part to the economic downturn.

The annual count of Utah’s homeless population, he said.

The value of conducting a count on an annual basis is illustrated by the provider community’s ability to better direct funding and services based on this data,” said Gordon Walker, director of the Utah Division of Housing and Community Development. “This year’s point-in-time count is also critical to our state’s goal in ending chronic homelessness in Utah.”

“We believe our counting methods are more comprehensive and the data collected will help speed the road to permanent housing for our chronically homeless population,” Walker added.

The U.S. Department of Housing and Urban Development requires states to complete a physical count of both sheltered and unsheltered homeless persons as a condition of federal aid.

“Clybourne Park” is a fascinating, insightful, and often brutally funny look at the way we talk about—or avoid talking about—race in America. When a white couple wants to buy a home in the gentrifying, all-black neighborhood fifty years earlier in the same house.
