A Lott who has done a lot
Born and raised in Mt. Pleasant, Lott graduated from North Sanpete High School in 1957. He married his wife, Carolyn, on a blind date in Bountiful, which he says was an awesome experience. Lott worked as a foreman for the Timpet Company, a paper conversion company in Salt Lake City. When he was 24, he moved to Gentle, Mont., and went to work as a log loader—"a legging contractor." He stayed on the job for 13 years.
