Wayne School District Tobacco Policy

As part of the requirements of the three year grant awarded to Wayne School District from the Utah Public Health Department last year, the District has adopted a new Tobacco Policy. Copies of this policy are available for students and parents at each school, the district office, and on the district website. Wayne School District participates in the Utah Clean Air Act, and does not allow the use, advertisement of, or imitation tobacco products on school district grounds, or in any district vehicle by students, employees, or patrons. We appreciate the support of parents and patrons as we implement this new policy. Please call the Wayne School District office if you have any questions or concerns.

E.B. Walk - A-Thon

Sierra & Bobbi Jo Cartmill have a rare skin disorder called Epidermolysis Bullosa. This skin is as fragile as butterfly’s wings. The end of October is E.B. Awareness week and we would love to raise money for research to help find a cure.

On Saturday the 11th of September we are having a walk-a-thon. We will be starting at the Bishop Airport going to Las Posada. Meet at the Airport at 9:00 a.m. You can join anywhere on the route. We will be walking on the Big Rocks Road. It will be $5.00 per walker and even if you want to stop at the Las Posada, and have a treat. Stop by on the way there will be cookies, doughnuts, and drinks. Donation appreciated. Contact Lee or Bobbi Jo at 491-0472 or 491-0479.

THE OTHER GUYS
PG-13 • Running time: 1 hr. 47 min.

SYNOPSIS: Detective Allen Gamble is a forensic accountant who’s more interested in paperwork than hit- ting the streets. Detective Terry Hill is a tough guy who’s been stuck with Allen on his partner since the two were paired up. Along with Derek, John Alien, and Terry stick to the book, by the books. They may not be the most successful detectives, but when an opportunity arises, they will rise to the challenge.

THE OTHER GUYS is a comedy about a “good cop/bad cop” team… and the good cop is the one with the goofy accent.

New Tourism Materials

Wayne County Travel Council home of Capitol Reef National Park, will be producing some new tourism materials. We are interested in acquiring photographs for use in these materials. Our budget is not large, but please send a disk with photographs or a link to a web-site where we can view photos that you are willing to make available.

Please identify the site for the tourism office to use the photographs in web or print with no restrictions for at least the next five years. Please let us know if you would be willing to donate photos for use in brochures and/ or website. We will view your photos and contact you should we find a use for one or more of your images.

Photo disk or web-site link needs to be submit to the Wayne County Travel Council Office. E-mail address: info@CapitolReef.com travel no later than Friday September 3, 2010 if you would like to participate.

We are really excited about this project and we appreciate any help we can get.
